Steve,

As I mentioned yesterday, the state, EPA, USFS and USFWS recently settled all response cost and NRD claims against the Standard Metals Company (SMC). One of the SMC sites was the upper Animas area, including Cement Creek. We entered a CD with the SMC in 2008 and pursued claims against SMC's insurers for the past 6 years. Attached are:

- 1) A tally of settlement proceeds
- 2) Our NRD Preliminary Assessment for the Upper Animas.

Let me know if you want to talk more.

I believe Scott Schultz is the AGO site attorney.
